

ADVOCACY

Representation, Communication & Education

Each January brings a new year and another legislative Session in Pierre. SD Wheat Inc., represents its members at the Capitol in Pierre and Washington DC. Providing a presence at both Capitol's delivers a very crucial line of communication between our members, legislators and congressional members.

It is our priority to participate in the legislative process all year long but during session we provide a daily presence with legislators in Pierre. We anticipated a host of issues during the 2018 legislative session. Transportation, ag land taxes, water and water shed management, crop insurance and new laws are just the beginning. SD Wheat Inc.'s, primary goal is to represent producers' views and communicate to producers how legislative change would affect their operation.

In February, we travel to Washington, DC, to attend the National Association of Wheat Growers winter meetings and have our "Day on the Hill"! Several wheat producers have spent the day visiting Senators Thune and Rounds as well as Representative Noem to discuss proposed tax changes, 2018 farm bill, trade agreements and market development.

Your membership dollars allow us to enhance the lines of communications! Join today and help **GROW OUR FUTURE.**
